COMMISSION

The Honorable Chairman and Members of
the Hawaii Public Utilities Commission
Kekuanaoa Building
465 South King Street, 1st Floor
Honolulu, Hawaii 96813

Dear Commissioners:

RE: Docket No. 2006-0120 -- Application of Young Brothers Limited to
terminate Less than Container Load service to and from the Kahului
Harbor on the island of Maui

Pursuant to the procedural schedule set forth in the Stipulation for Prehearing Order No. 22582 filed on June 29, 2006 in the above docketed matter, the Consumer Advocate and Young Brothers, Limited (i.e., the Parties to the proceeding) were to file position statements on the outstanding issues on July 14, 2006. The Parties agreed to a modification of the filing dates such that the Consumer Advocate will file its Statement of Position on Monday, July 17, 2006 with Young Brothers, Limited filing its Responsive Statement of Position on Friday, July 21, 2006.¹ By letter dated July 14, 2006, the Consumer Advocate informed the Commission of the Parties' and Participants' agreement to the above schedule modification.

The Consumer Advocate and Parties have agreed to a further modification that would delay the filing of the Consumer Advocate's Statement of Position to Wednesday,

¹ The revision was necessary to allow the Consumer Advocate additional time to review the responses to the Consumer Advocate's information requests that were received on Wednesday, July 12. In addition, the modification would allow Young Brothers, Limited time to review the Consumer Advocate's Statement of Position prior to filing a Reply Statement of Position. It should be noted that due to the limited time allowed for the completion of the procedural steps and the work required in other docketed matters, the Consumer Advocate and Young Brothers, Limited were unable to meet as anticipated prior to the filing date for both Party's Statements of Position.

The Honorable Chairman and
Members of the Commission

July 19, 2006. The requested delay would allow the Parties to further discuss the matter prior to the filing of the Consumer Advocate's Statement of Position. The Participants have indicated that they do not object to the requested schedule modification.

Thank you for your consideration in this matter.

Sincerely yours,

Cheryl S. Kikuta
Utilities Administrator
